

EVER ACTIVE

Volunteer Title: Educator Advisory Council

Expected Hours: Approx. 10 hours per school year, with more opportunities for compensated consultation

Start Date: September 2026

Location: Yukon Territory, British Columbia, Alberta and Saskatchewan

Organization Overview

Ever Active is a registered national charity based in Alberta that is focused on the well-being of children and youth. Our vision is for thriving schools and communities where children and youth grow, learn, and belong. Our mission is to lead, activate, and build capacity for settings that nurture health and well-being. We value relationships and well-being, which are at the heart of who we are and all we do. The values of inclusion, growth, community, voice, and kindness are also closely held and guide our work forward in a good way. We don't know all the answers but we're listening, learning, and growing.

About the Educator Advisory Council

The Educator Advisory Council (EAC) is a group of dedicated school health champions representing regions across Alberta, Saskatchewan, British Columbia, and the Yukon Territory. Chaired by Ever Active, the council brings members together to build relationships with other school health champions, foster connections and professional development, and serve as key informants supporting Ever Active's projects and activities. Council members serve a 3-year term, and every meeting and engagement opportunity is built around three goals:

- Capturing teacher voice to support Ever Active's products and services
- Sharing opportunities where support is needed
- Professional development for members

Who We're Looking For

Seeking innovative Educators with strong interpersonal skills, experience working in schools, and knowledge of wellness, physical education and/or comprehensive school health to join our council! The EAC comes together to learn from one another and help inform and support Ever Active's activities and services.

Why Should You Apply?

- Make an impact on real issues that affect your school and your community.
- Share your ideas and perspectives and see them turned into action through projects and recommendations.
- Be part of meaningful conversations and help shape programs, services, and how we show up in the community.
- Increase your comprehensive school health knowledge and capacity within your school and jurisdiction to act as a health champion.

- Build connections and relationships with other champions, creating a professional network and developing a sense of community.
- Receive compensation for your time supporting council activities and services.

What You'll Do

- Participate in council meetings
- Respond to monthly correspondence and engage with the EA Bulletin Board on Padlet
- Communicate and respond to requests from Ever Active
- Follow invoicing and payment procedures for compensated activities
- Share Ever Active offerings and opportunities with your professional network

We know evening meetings can be hard to prioritize, which is why the EAC runs on a hybrid model: most engagement happens online at your own pace, with just 2–3 meetings per year. To stay in good standing, members are asked to attend at least 50% of meetings, and to engage with monthly online communications.

Qualifications and Experience

- Currently working in a school setting
- Seeking applicants who reside in British Columbia, Alberta, Saskatchewan, and Yukon Territory
- Passionate about school, student and teacher well-being

Ever Active is committed to equity in its policies, practices, and programs, while supporting diversity in its community, school, and work environments; Ever Active encourages qualified applicants of all backgrounds and abilities to apply for this position.

How to Apply

To apply, please fill out this [application form](#).

We're excited to bring together a diverse group of educators who are thoughtful, passionate and shaping the future of health and wellness in schools and communities.

Application Deadline: September 21, 2026

Ever Active thanks all applicants for their interest, however only those candidates selected for an interview will be contacted.
